Description

This 2022 Ford Transit Custom Trail is a standout example, boasting a single owner from new and a low insurance group, making it an economical choice. This L1 H1 5 door model is powered by a 2.0 litre EcoBlue diesel engine, meeting Euro 6 emissions standards. It comes equipped with the ICE Feature Pack 25, which includes Bluetooth connectivity and adaptive cruise control, alongside automatic headlights. For convenience, it features front and rear parking aids, complemented by front fog lamps and parking assistance sensors. Inside, you'll find front manual air conditioning and the SYNC3 audio system, complete with Android Auto and Apple CarPlay integration. The Transit Custom Trail offers impressive efficiency, achieving a highlight fuel economy of 44 miles per gallon. These features collectively demonstrate its superior

value and capability compared to other vehicles in its class. The automatic headlights also include a useful follow me home function, providing added peace of mind.
