**Description**

This 2025 Ford E Transit Courier Trend Auto SWB 5dr is a superb example, having had only one owner from new. This electric van offers a maximum range of 181 miles on a full charge, making it a practical choice for many journeys. It comes equipped with the desirable Winter Pack 3, which includes heated seats and a heated steering wheel for added comfort during colder months. The Parking Pack DAT Bundle 1a provides front and rear parking sensors along with a rear camera, simplifying manoeuvring. Inside, the ICE Pack 2 ensures seamless connectivity with Android Auto and Apple CarPlay, alongside Bluetooth functionality, while the EATC climate control system allows for precise temperature management. The E Transit Courier Trend boasts an impressive engine power output of 134 bhp, demonstrating its capability. These features collectively highlight how this particular vehicle surpasses others in its class, offering a well

equipped and comfortable driving experience. Its electric powertrain, combined with the comprehensive feature set, makes it an attractive and efficient option for any business or individual seeking a reliable and modern van.
