Description

This 2021 Ford Transit Connect is a practical and well-equipped van, presented in the Limited trim. It features a 1.5-litre diesel engine, which is Euro 6 compliant, ensuring it meets current emission standards. As a 240 EcoBlue Limited L2 model, this vehicle is designed to balance utility with a comfortable driving experience, offering a reliable solution for those needing a capable commercial vehicle. The vehicle stands out for its efficiency and driver-focused features, boasting an impressive fuel economy of 61 mpg and low CO2 emissions. With an engine power of 118 bhp, it provides sufficient performance for daily tasks. Inside, the cabin is enhanced by Seat Pack 31 and Seat Pack 54, which include heated driver and passenger seats for added comfort during colder weather. Technology is well integrated, featuring an audio system with a 4.2-inch screen and Bluetooth connectivity, while the reverse parking aid with

rear sensors assists with manoeuvring in tight spaces. These combined features make this Transit Connect a highly practical and economical choice for business or personal use.
